

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

FLOYD M. ZARBOCK, M.D.

Respondent

ORDER GRANTING FULL LICENSURE

On September 24, 1987, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was suspended for a period of 60 days, and was thereafter limited to prohibit Dr. Zarbock from ordering, dispensing prescribing or administering controlled substances except in a hospital emergency room setting. The order provided that if Dr. Zarbock petitioned for reinstatement of an unlimited license, the burden would be on him to show why the limitations should be removed.

By letter dated December 8, 1994, Dr. Zarbock petitioned the board for removal of the limitations on his license. Included was a letter of recommendation from the medical director of the Primus Clinic, in Killeen, Texas, where Dr. Zarbock has practiced for the past six and one-half years. Based upon the entire record in this matter, including documentation of full compliance with the terms and conditions of her limited license, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that all limitations on the license of Floyd M. Zarbock, M.D., to practice medicine and surgery in the State of Wisconsin, as imposed by the board's Final Decision and Order in this matter dated September 24, 1987, be, and hereby are, terminated, and Dr. Zarbock is hereby returned to full licensure.

Dated this 3 day of February, 1995.
